

App for iPhone:

- ◆ Go to the Google Play Store and download the “PrinterOn” app.
- ◆ Select the option to set a specific printer.

- ◆ Search for Delaware Rehoboth Public Library.
- ◆ Select either Color or Black and White.
- ◆ Return to PrinterOn main screen and select either photos or web.

- ◆ Search your phone’s gallery for an image to print or enter the URL address for a website’s page you want to print.
- ◆ Click on the printer icon on the top right.
- ◆ Review the preview and click “Print.”
- ◆ Enter an e-mail address and click “Okay.”
- ◆ Release your print at the print terminal using your e-mail address.
