- ◆ Select Black and White or Color.
- ◆ Enter an e-mail address.
- ◆ Select browse and select the document or enter the URL address for a website's page you want to print.
- ◆ Click on the green print icon again.
- ◆ Release your print at the print terminal using your e-mail address.

The screenshot shows the PrinterOn web interface with three main sections:

- Printer:** Features radio buttons for "Black and White" (selected) and "Color", and a "Details" button.
- User Info:** Includes an "Email address:" label and a text input field. Below the field, it states: "Your user information is used to uniquely identify your print jobs. Use this information to obtain your document in the Library printing facility."
- Select Document:** Includes a "File or URL:" label and a text input field with a "Browse..." button. Below the field, it states: "Browse your computer files to select the document you wish to print. You may also enter the URL of a web page you want printed."

At the bottom of the interface, there are three icons: a question mark, a close button (X), and a green print icon. To the left of these icons is a link: [How do I print from a mobile device?](#)
